

Project FFI - QoS
Summary status report

Week 4 2012

Contents

1	Introduction	2
2	Progress summary	2
3	Open/closed problems	2
4	Updated risks analysis	2

1 Introduction

[Any general information that can be useful]

2 Progress summary

[Important: the activity plan for the two-week period, with the actual work performed by your team members and the actual completion of the activities, must be related to the milestone plan (see WBS_a and $MilestonePlan_{Intro}$).]

3 Open/closed problems

[What problems have caused delays? What have been solved and what are still open?]

4 Updated risks analysis

[Detailed activity plan for the coming period; see $ActivityPlan_{Template}$]
